SENA TE RESOLUTION 249 — ORI GINAL RESOLUTION REPORTED CONCERNING THE INVESTIGATION OF SENATOR HERMAN E. TALMADGE Mr. STEVENSON, from the Select Committee on Ethics, reported the following original resolution:

Res. 156.

Whereas from January 1, 1973, through June 30, 1976, fifteen vouchers were submitted to the Speaker by the Senator from Georgia (Mr. Talmadge) which claimed and recovered Senate reimbursements in the aggregate amount of $45,435.83 for official expenses which were not incurred ($37,125.99 having been repaid by Senator Talmadge on August 18, 1978, for overreimbursements between 1972 and 1978 inclusive); and

Whereas Senator Talmadge failed to sign, as required by law, and properly supervise the preparation of all the aforesaid vouchers; and

Whereas the financial disclosure reports required to be filed by Senator Talmadge under Senate rules for each of the years 1972 through 1977 were inaccurate; and

Whereas Senator Talmadge failed to file in a timely manner the candidate's receipt and expenditures reports for 1973, as required by Federal law, and inaccurate reports were filed for the period January 1, 1974, through December 31, 1974; and

Whereas campaign funds of Senator Talmadge in excess of $10,000 were not reported, as required by law; and

Resolved, it is the judgment of the Senate that Senator Talmadge either knew, or should have known of these improper acts and omissions and, therefore, by the gross neglect of his duty to faithfully and carefully administer the affairs of his office, he is responsible for these acts and omissions.

Section 2. It is the judgment of the Senate that the conduct of Senator Talmadge, as aforesaid, is reprehensible and tends to bring the Senate into dishonor and disrepute and is hereby denounced.

Sec. 3. That Senator Herman E. Talmadge be required to pay to the United States Senate the sum of $12,894.57 plus interest on overreimbursements in the aggregate amount of $45,435.83 at such rate and for such periods as are determined by the Secretary of the Senate, in accordance with established procedures for collecting overreimbursements.

Mr. STEVENSON. Mr. President, as chairman of the Select Committee on Ethics, I am submitting herewith a resolution, and a report thereon, considering that resolution. In connection with the committee's investigation of Senator Herman E. Talmadge, the Select Committee on Ethics, by unanimous vote, agreed to report this resolution. The Select Committee on Sen ate on September 14, 1979, in accordance with the provisions of Senate Resolution 338, as amended, and the committee's rules of procedure.

SENA TE RESOLUTION 259 — ORI GINAL RESOLUTION REPORTED WAIVING CONGRESSIONAL BUDGET ACT

Mr. HART, from the Committee on Armed Services, reported the following original resolution, which was referred to the Committee on the Budget:

S. 290.

Resolved, That pursuant to section 402(c) of the Congressional Budget Act of 1974, the provisions of section 402(a) of such Act are waived with respect to Senator H.R. 595, a bill to authorize the appropriation of funds for the acquisition of stockpile materials and to authorize the disposal of excess stockpile materials.

Such a waiver is necessary because section 402(a) of the Congressional Budget Act of 1974 provides that it shall not be in order in either the House of Representatives or the Senate to consider any bill or resolution which, directly or indirectly, authorizes the enactment of new budget authority for a fiscal year, unless that bill or resolution is reported in the House or the Senate, as the case may be, on or before May 15 preceding the beginning of such fiscal year.

It was impossible for the Committee on Armed Services to properly review and give adequate consideration to H.R. 595 before the May 15, 1978, deadline due to the press of other priority legislation, namely, S. 429, the annual military procurement authorization bill, and S. 1393, the national construction authorization bill. Further the Committee on Armed Services and the Senate on June 6, 1979, reported H.R. 2154 which constitutes a complete revision to the Stockpile Act requiring for the first time authorization for appropriation of funds for stockpile acquisitions; this revision (H.R. 2154), which represents a major initiative by the Legislative Branch, logically required consideration and action before implementing legislation (H.R. 595) on specific commodities could be acted on.

For the foregoing reasons, pursuant to section 402(c) of the Congressional Budget Act of 1974, the provisions of section 402(a) of such Act are hereby waived to H.R. 595 as reported by the Committee on Armed Services.
