ALPHABETICAL LIST

OF

SENATORS, REPRESENTATIVES, AND DELEGATES,

WITH THEIR HOME POST-OFFICES AND RESIDENCES IN WASHINGTON.

The * designates those whose wives accompany them; the § designates those whose daughters accompany them; the † designates those having other ladies with them.

The streets and avenues of Washington are now numbered on the "Philadelphia plan," starting north, east, and west from the base-lines, which run north and south, east and west, intersecting at the Capitol. Thus, in the northwest section of the city, the houses on any street designated by a letter, or on any avenue running east and west, which are between First and Second streets, are numbered between one and two hundred; those between Second and Third streets are numbered between two and three hundred, and so forth. On the streets designated by numbers, or on any avenue running north and south, the houses between A and B streets are numbered between one and two hundred; those between B and C streets are numbered between two and three hundred, and so forth. This system of numbering enables any one, with the aid of a map of the city, to determine the exact location of any house the number and street of which are given.
