

UNITED STATES SENATE CHAMBER

Washington Oct. 16th 1867

Miss. Anne Deakins

I have just
returned from Kansas —
and shall return there
about the last of this month.
The Caucus, upon the
question of "Impartial Suffrage"
is becoming interesting &
earnest. The failure of
Michigan & N.Y. in their
Constitutional Conventions —
and the late elections in
Penn. & Ohio, have damp-
-ened our friends, and
they are now fearful of

The result— The Campaign
in Kansas has not been
well managed— The Com-
mittee— poor & inefficient.
Col. Wood the Chairman
has been— unfortunately—
Sick!— Republicans—
who are merely politicians,
are weakening, and
some— opposed— and
ignore this, as a "side
issue"

I have gone
boldly— fearlessly— into
the movement! And it
must succeed!

Can you go to
Kansas and spend 10
days— prior to Nov. 5th?
I will send you— from
my own purse \$300.00 for
your expenses, and if
they amount to more—
will hold you harmless—
from expense— I want
you to speak at only
three places, you can reach

on the Rail Roads — say. Atchison —
Lawrence — Lawrence, Topeka &c

I will give all the necessary
notice — by a Telegram to Miss
S. B. Anthony — now at Lawrence

Please reply to me. early —

I am. Truly &c
