

City Los Angeles State Calif.

Petition to the Senate to support the President of the United States and pass the suffrage amendment in accordance with the request of the President of the United States.

TO THE SENATE OF THE UNITED STATES:

The President says that the suffrage amendment should be passed as a just recognition of the work American women have done for the support of the war. We agree with the president.

The President says that this suffrage amendment is a necessary war measure; that it will help to win the war. Senators, that alone is surely reason enough why you should vote for the amendment.

Senators, your petitioners urge you to stand by the President and to heed his advice and vote for the suffrage amendment, both as a war measure that will help us to win victory sooner and as an act of high justice to the patriotic women of the United States.
