

## United States Senate

April 6, 2023

The Honorable Patty Murray  
Chairman  
Committee on Appropriations  
United States Senate  
Washington, DC 20510

The Honorable Susan Collins  
Vice Chairman  
Committee on Appropriations  
United States Senate  
Washington, DC 20510

Dear Chair and Vice Chair:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Transportation, Housing and Urban Development, and Related Agencies Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

A handwritten signature in blue ink, reading "Dianne Feinstein".

Dianne Feinstein  
United States Senator

**Feinstein, Dianne(D-CA) Transportation Housing and Urban Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Los Angeles County Metropolitan Transportation Authority	Funds would be used for the Eastside Transit Corridor Phase II Project, an approximately 4.6-mile light rail transit extension.	Los Angeles County CA	\$3,000
City of Alameda	Funds would be used to construct permanent supportive housing in Alameda, CA.	Alameda CA	\$2,000
City of Alhambra	Funds would be used to purchase a new rescue ambulance for the Alhambra Fire Department.	Alhambra CA	\$450
Anaheim Transportation Network	Funds would be used to create two community connection nodes along a bus rapid transit circulator route in Anaheim.	Anaheim CA	\$1,500
City of Avalon	Funds would be used to improve the Cabrillo Mole Ferry Terminal, a critical transit site for Avalon, which is located on Catalina Island.	Avalon CA	\$2,000
County of Butte	Funds would be used to rebuild Lumpkin Road, a seven-mile primary emergency evacuation route for the small community of Feather Falls in Butte County.	Butte County CA	\$8,000
Chino Valley Independent Fire District	Funds would be used to construct an 11,813 square foot fire station for the Chino Valley Fire District. Funds would also purchase a tractor drawn aerial ladder truck to serve the emergency needs within the Chino Valley.	Chino Hills CA	\$1,000
City of Carlsbad	Funds would be used to complete the Carlsbad Safe Routes to School Improvements Project, which will install high-visibility crosswalks near schools and speed cushions on streets around schools.	City of Carlsbad CA	\$2,100
City of Perris	Funds would be used for construction to support the Perris Senior Center Expansion Project. Perris Senior Center is a community center that provides social, educational, and recreational opportunities for seniors.	City of Perris CA	\$1,500
County of Tehama	Funds would be used to protect and reconstruct a seven-mile stretch of 99 West in Tehama County.	Corning CA	\$1,000
County of Del Norte	Funds would be used for the complete renovation of the three fields to significantly improve their function and usefulness to the community, including by updating drainage systems, constructing a playground, and a jogging and walking loop.	Crescent City CA	\$1,827
City of East Palo Alto	Funds would be used for the East Bayshore Road Safety Improvements Project.	East Palo Alto CA	\$2,000
City of Emeryville	Funds would be used for construction of the 40th Street Transit-Only Lanes and Multimodal Enhancements Project to improve safety, enhance equity, and support the region's climate action goals.	Emeryville CA	\$1,000
City of Encinitas	Funds would be used on the proposed Encinitas quiet zone to provide vehicular and pedestrian safety improvements at rail crossings and reduce train noise at four of the city's at-grade rail crossings.	Encinitas CA	\$5,000
City of Escondido	Funds would be used for construction of the Escondido Creek Trail Project to improve an existing bike path and create new trails.	Escondido CA	\$2,650

California Department of Transportation District 11	Funds would be used for the design of the Interstate 15/State Route 78 Managed Lanes Project, which will build direct connectors between I-15 and SR-78; add a westbound auxiliary lane between Nordahl Road and Woodland Parkway/Barham Drive; and three miles of new managed lanes.	Escondido and San Marcos CA	\$4,000
City of Fontana	Funds would be used to construct a 1.25-mile recreational trail along the San Sevaine Channel in the cities of Rancho Cucamonga and Fontana.	Fontana CA	\$1,000
City of Gustine	Funds would be used to renovate the Gustine Community Wellness Center.	Gustine CA	\$660
City of Hayward	Funds would be used to construct a campus of mental healthcare and crisis services, medical clinic, and supportive housing.	Hayward CA	\$1,500
Imperial Irrigation District	Funds would be used to replace approximately 1,180 feet of an existing open irrigation channel with an underground 36-inch diameter plastic pipeline.	Holtville CA	\$871
City of Imperial	Funds would be used for phase I of the Imperial Corridor Safety Improvement Project, which will reconstruct three city streets that are connected to three schools.	Imperial CA	\$3,000
City of Indio	Funds would be used for active transportation improvements along Indio Boulevard, from Monroe Street to Requa Avenue in Indio, CA.	Indio CA	\$1,750
City of Inglewood / Inglewood Transit Connector Joint Powers Authority	Funds would be used to construct the Inglewood Transit Connector, a 1.6-mile fully elevated, automated transit system with three stations that will address a transit gap.	Inglewood CA	\$5,000
City of La Quinta	Funds would be used for construction materials to upgrade existing undersized drainage infrastructure on Eisenhower Drive and Avenida Bermudas in La Quinta, CA.	La Quinta CA	\$1,000
Habitat for Humanity of Greater Los Angeles	Funds would be used to help construct new homes to be sold with an affordable mortgage to low-income, first-time homebuyers.	Lancaster CA	\$1,000
Lompoc Theatre Project Corporation	Funds would be used for renovations and construction of the Lompoc Theatre.	Lompoc CA	\$1,000
Downtown Women's Center	Funds would be used for structural renovations to the Los Angeles Women's Center, which provides supportive housing for homeless women.	Los Angeles CA	\$1,160
Century Affordable Development, Inc. ("CADI")	Funds would be used to renovate an existing office building on the West Los Angeles Veterans Affairs Campus into units of permanent supportive housing for veterans.	Los Angeles CA	\$1,500
Southern California Regional Rail Authority	Funds would be used to install Wireless Crossing Nearsite Station Stop technology at crossings across the Metrolink system network to minimize gate downtime, vehicular/pedestrian traffic congestion and unsafe driver actions at crossings by implementing technology.	Los Angeles CA	\$4,000
Southern California Regional Rail Authority	Funds would be used to replace four common-use diamonds (tracks) in Union Station in Los Angeles.	Los Angeles CA	\$900
Los Angeles County Museum of Natural History Foundation	Funds would be used to redevelop the public outdoor recreation, education, and research spaces on the 13-acre La Brea Tar Pits campus in Los Angeles.	Los Angeles CA	\$8,000
City of Los Angeles	Funds would be used to lease and purchase facilities for LA's Inside Safe initiative, a new program to move people living in tents and homeless encampments off the streets and into housing.	Los Angeles CA	\$10,000

County of Los Angeles	Funds would be used for a suite of four different projects within the Westmont-West Athens community, which includes a new traffic signal installation, upgraded intersection safety improvements, and replacement of bus shelters.	Los Angeles County CA	\$1,500
County of Los Angeles	Funds would be used for the Puente Hills Landfill Regional Park Master Plan, a planned 142-acre regional park at the former 1,365-acre Puente Hills Landfill.	Los Angeles County CA	\$3,000
Los Angeles County Metropolitan Transportation Authority	Funds would be used for the Sepulveda Transit Corridor Project to connect the Los Angeles Basin to the San Fernando Valley.	Los Angeles County CA	\$5,000
South Coast Air Quality Management District	Funds would be used to enable South Coast AQMD to enhance its disaster preparedness and incident response program.	Los Angeles, San Bernardino, and Orange Counties CA	\$2,000
South Coast Air Quality Management District	Funds would be used to partner with a class I railroad to demonstrate a battery-electric locomotive powered train in specified regional operations.	Los Angeles, San Bernardino, and Orange Counties CA	\$1,000
City of Modesto	Funds would be used to strengthen Yosemite Community College's Columbia College Fire Technology Program by constructing a new regional training facility and upgrading its technology and equipment.	Modesto CA	\$1,500
City of Monterey Park	Funds would be used to design and remodel a fire station in the city of Monterey Park. The existing fire station is aging and not in compliance with Americans with Disabilities Act standards.	Monterey Park CA	\$1,500
City of Needles	Funds would be used for the renovation of the historic El Garces building in Needles to allow public access.	Needles CA	\$700
Orange County Transportation Authority	Funds would be used for a South Coast study to evaluate strategies to ensure uninterrupted rail operations, including a detailed analysis of seven miles of critical coastal track between Dana Point and San Clemente at the San Diego County line.	Orange County CA	\$2,000
Port of Hueneme/Oxnard Harbor District	Funds would be used for a one-time purchase of a single, zero emission, air vacuum street sweeper for the Port of Hueneme to ensure that the storm runoff entering the harbor during rain events is as clean as possible.	Oxnard CA	\$850
City of Palm Springs	Funds would be used to complete the construction of the Palm Springs Navigation Center to provide services and resources for the region's homeless population.	Palm Springs CA	\$1,500
City of East Palo Alto	Funds would be used to develop a turf athletic field where kids and families can play multiple sports. Currently, there is only one playable field in the city and many have to travel 45-90 minutes each way to participate on teams.	Palo Alto CA	\$1,600
City of Palo Alto	Funds would be used to assist with the 100% electrification of the Buena Vista Mobile Home Park, which currently serves 259 people, including 67 children and 52 seniors. Specifically, funding would replace aged above ground gas lines and convert to 100% electrification	Palo Alto CA	\$2,000
City of Rancho Cordova	Funds would be used to construct new affordable permanent housing units for homeless senior veterans in Sacramento County.	Rancho Cordova CA	\$1,500
City of Rancho Cucamonga	Funds would be used to construct a 9/11 remembrance park.	Rancho Cucamonga CA	\$1,500
Desert Recreation District	Funds would be used to construct a new community center in the town of Oasis, CA.	Riverside County CA	\$1,500

Housing Authority of the County of San Bernardino	Funds would be used for the construction of the Arrowhead Grove Community Resource Center, which is part of a broader 252-unit affordable housing complex in San Bernardino.	San Bernardino CA	\$2,600
Housing Authority of the City of San Buenaventura	Funds would be used for Westview Village Phase II, a redevelopment project with affordable housing apartments, a community room, early childhood center and resource hub for the entire Westview Village community.	San Buenaventura CA	\$1,500
City of San Diego	Funds would be used to rehabilitate and convert existing San Diego Housing Commission office space for use as a homeless shelter to serve individuals experiencing homelessness.	San Diego CA	\$1,500
Center of Asian Network	Funds would be used to establish a center to highlight the contributions of Chinese immigrants, specifically to commemorate the experiences of Chinese railroad workers.	San Francisco CA	\$1,190
San Francisco Bay Ferry Water Emergency Transportation Authority	Funds would be used to reconfigure the Vallejo Ferry Terminal in San Francisco to eliminate the need for costly dredging at the boat dock.	San Francisco CA	\$3,000
City and County of San Francisco Recreation and Park Department	Funds would be used transform Twin Peaks Blvd., a recently closed roadway, into a public park to provide pedestrian and bicycle facilities, improve site access for persons with disabilities, improve safe access to scenic views, and create places to gather for residents of all ages.	San Francisco CA	\$1,500
Friendship House Association of American Indians	Funds would be used for construction of the Village SF which will serve as a social services, cultural, and spiritual hub for American Indians living in San Francisco.	San Francisco CA	\$2,000
American Conservatory Theatre Foundation	Funds would be used to support renovations and improvements to the landmark Toni Rembe Theater, which serves as American Conservatory Theatre Foundation headquarters.	San Francisco CA	\$1,000
City and County of San Francisco	Funds would be used to purchase up to five 40-ft electric buses to replace five end-of-useful-life compressed natural gas buses at the San Francisco International Airport.	San Francisco CA	\$1,260
San Francisco Bay Area Rapid Transit District	Funds would be used for the BART Next Generation Fare Gates Project to replace faregates throughout the BART system with state-of-the-art swing-gate style faregates that will improve maintainability, reduce downtime, and discourage fare evasion.	San Francisco CA	\$7,000
Golden Gate Performing Arts	Funds would be used to renovate a historic building in the Mission District as a community center for the LBGTQ+ community.	San Francisco CA	\$2,000
Asian Youth Center	Funds would be used to rehabilitate a building owned by the Asian Youth Center to better operate its emergency food program.	San Gabriel CA	\$750
County of San Mateo	Funds would be used to construct manufactured home sites, and the purchase and installation of new manufactured homes.	San Mateo County CA	\$1,500
Santa Barbara County Association of Governments	Funds would be used for Cabrillo Boulevard improvements, which include removing and replacing aging railroad structures, and adding a multipurpose path, class II bike lanes, and sidewalks to enhance safety as well as decrease greenhouse gas emissions and dependence on automobiles.	Santa Barbara CA	\$3,000
City of Santa Monica	Funds would be used to renovate an existing affordable housing property in Santa Monica.	Santa Monica CA	\$4,000

Ceres Community Project	Funds would be used for the construction of a meal production, nutrition education and job training facility addressing nutrition insecurity and disaster food needs across Northern California.	Sebastopol CA	\$2,000
North County Transit District	Funds would be used to fund software and hardware upgrades to the Positive Train Control (PTC) system along the LOSSAN corridor.	Southern California CA	\$3,920
San Joaquin Regional Rail Commission	Funds would be used to expand the Altamont Corridor Express from Natomas to Ceres to run over new tracks by installing Positive Train Control (PTC) systems on Modesto & Empire Terminal (M&ET) rolling stock.	Stockton CA	\$1,000
Solano Transportation Authority	Funds would be used for the State Route 37 and Fairgrounds Drive Interchange Improvement Project. State Route 37 and Fairgrounds Dr is a major connection point between Solano County, Napa, and American Canyon.	Vallejo CA	\$5,000
County of Solano	Funds would be used to renovate a shuttered elementary school in Vallejo, CA, to establish an early learning center.	Vallejo CA	\$1,000
City of Vista	Funds would be used for construction of the Vista Complete Streets Project to address safety and access issues by slowing motor vehicle speeds and providing bicycling and walking facilities, as well as safe pedestrians' crossings at multiple points.	Vista CA	\$5,800
