HOUSE BILLS DISAPPROVED AFTER SINE DIE ADJOURNMENT

The message further announced that the President had disapproved the following bills of the House; his reasons for such actions are as follows:

IMPROVEMENT OF PRIVATE PROPERTY, DISTRICT OF COLUMBIA

H. R. 4993. I have withheld my approval of H. R. 4993, to authorize the District of Columbia Board of Commissioners of the District of Columbia to permit certain improvements to two business properties situated in the District of Columbia.

The two properties involved, owned by private corporations, are occupied as gasoline filling stations in a residential use district. Under the zoning regulations promulgated pursuant to the act of March 1, 1920, as amended by the act of June 20, 1938, such commercial uses cannot be physically extended, enlarged, or improved. At present there are approximately 5,000 nonconforming uses in the District of Columbia.

The Board of Commissioners of the District of Columbia and the National Capital Planning Commission have had underway for the past 3 years a study looking to a complete revision of the zoning regulations for the District of Columbia. That study is almost completed, and when completed will doubtless include provisions dealing with the problem of nonconforming uses. We should not single out two of these now by special legislation and provide benefits for them which cannot be enjoyed by any of the other many nonconforming uses. To do so would constitute an invitation for certain conditions, these nonconforming uses cannot be physically extended, enlarged, or improved. At present there are approximately 5,000 nonconforming uses in the District of Columbia.

I have withheld my approval of H. R. 3210 until all relevant information has been obtained, particularly since objections to the proposed diversion have been registered by the Canadian Government in its note dated February 13, 1956, and additional objections filed by legal advisers of the States of Wisconsin, Ohio, and New York. Although I am fully aware of the seriousness of some of the problems confronting the Chicago area and the State of Illinois, the record on H. R. 3210 affords no basis for me to change my position in this matter. Accordingly, under the circumstances, I am convinced that the bill should not be approved.

I am asking the State Department to engage in discussions with the Canadian Government in an attempt to work out a solution to these problems as soon as all pertinent facts are available.

Dwight D. Eisenhower,
THE WHITE HOUSE, August 9, 1956.

TAXES, REAL-ESTATE INVESTMENT TRUSTS

H. R. 4392. I am withholding my approval from H. R. 4392, entitled "An act to amend the Internal Revenue Code of 1954 to provide a special method of taxation for real-estate investment trusts."

Under existing law, real-estate trusts and associations are generally taxed as ordinary corporations on their entire taxable income. The enrolled bill would extend to such organizations, under certain conditions, the conduit or pass-through
