BILLS DISAPPROVED AFTER SINE DIE ADJOURNMENT

The President announced his disapproval of the following bills with memoranda of disapproval as follows:

H.R. 4534. MEMORANDUM OF DISAPPROVAL

I have withheld my approval from H.R. 4534, a bill “For the relief of Day’s Sportswear, Incorporated.

H.R. 4544. MEMORANDUM OF DISAPPROVAL

The United States Government is presently defending these two cases and the United States Customs Court is expected to rule. Briefly, the litigation involves the applicability of certain customs duties. I believe that the courts should be permitted to rule in these cases in due course. I am also concerned that my approval of H.R. 4544 could inappropriately prejudice the court’s ruling. Further, H.R. 4544 would constitute preferred treatment of one importer against others having similar claims against the Government.

Finally, I believe that private relief legislation is appropriate only after all other avenues of available administrative and legal recourse have been pursued.

For these reasons, I have withheld my approval from H.R. 4544.
